## Christmas comes to town

Santa came to town this weekend, as Christmas activities dotted the Newton County calendar. Friday, along with the Grinch visiting the Covington Square and **Santa Claus visiting The Covington News, Porterdale held its annual Christmas Parade. The Porterdale Police department and its K-9 unit led the way, and the Newton High School Sound Factory band heralded Santa Claus pulled in his sleigh by two live reindeer.** Saturday the Covington Lions Club held its annual parade, with 100 floats and marching bands going through Floyd Street and the Square, before Santa Claus paraded his way into town. Various other concerts filled Newton County with the sounds of Christmas.
